We encourage "members doing business with members".

NEW LOW-COST HEALTH BENEFITS PLAN

One of the benefits available to you as a Chamber member business is a comprehensive health insurance plan available through Blue Cross and Blue Shield of Georgia*. This plan, a part of *Purchasing Alliance Solutions, Inc.*, features group health insurance offering a premium discount of 3 to 5 percent for Chamber member businesses with 2 to 99 covered employees, depending on the size of your business and/or the plan you select. The offering of this plan hasn't changed.

However, if your company has been unable to provide benefits due to the high cost of all-inclusive health plans, there is a new option called ***The American Worker Plan***, underwritten by Pan-American Insurance Company. This plan is a low-cost benefit plan providing very basic health benefits. It is not designed to replace existing comprehensive health insurance plans, but designed for those who either have no insurance, or have high front-end deductible plans and desire supplemental coverage. ***The American Worker Plan*** provides a very basic health insurance plan. Pricing ranges from \$45 on a composite basis, for the most basic coverage, to \$99 on a composite basis, for a plan with additional benefits.

So, if your business has not been able to afford coverage for your employees, ***The American Worker Plan*** could be for you. For more information, please call your Chamber-member insurance agent, us at the Chamber, or Purchasing Alliance Solutions, Inc., (the employee benefits firm who developed *MemberCare Alliance of Perry*) at 800-782-8254. An independent licensee of the Blue Cross Blue Shield Association.
